About College:

Janata Mahavidyalaya was started by **Hon'ble Shri S.B. JIWATODE GURUJI** in the year 1958 to educate the students especially belonging to socially and economically backward sections of the society. Initially, under-graduate courses in Arts and Commerce were introduced. In the year 1961, under-graduate courses in Science were also introduced. It was the lone college in the combined Chandrapur-Gadchiroli District when it was established. The college runs Post-graduate course in Commerce, Arts (English and Economics) and Science(Physics, Chemistry, Botany, Zoology, Microbiology and Computer Science) considering the need of the students. The college has been Re-accredited by National Assessment and Accreditation Council (NAAC), Bangalore, with B+ Grade with 2.67 CGPA. It is now in the process for third cycle re-accreditation. It is one of the best colleges in Chandrapur district and popular choice of students for UG and PG courses.

About the e-Seminar:

The COVID-19 pandemic is not only seen as affecting health of the citizens but is also seen hindering all other sectors of life including education as well. The educational reforms in India in the COVID-19 era seems to be a live example of how need truly is the mother of invention or reinvention in this scenario.

The issue of Cyber Crimes is emerging as a big challenge for law enforcement agencies around the world as well as in India. Awareness on cyber crimes and its solutions is also the need of the hour.

With the view to create awareness about the significance of e-learning in higher education in pandemic time and Cyber crimes, Janata Mahavidyalaya is organizing one day e-seminar.

Expected participants include faculty members, Research scholars, students and Young intellectuals.
