FIELD TRIPS and FIELD PROJECTS REPORT (2018-19)

1.3.3

Field trips are an opportunity for students to enter into the world of mystical power. Field trips help students in developing visual literacy and also students experience a more holistic integrated picture of the information that may have been only presented in a textual and abstract way in classrooms. Industrial visits provide an exposure about practical working environment.

To,
The Director,
CIPET,
Chandrapur.

Subject: To attend one day training workshop in CIPET.

Sir,
With reference to above subject 30 students of M.Sc. & B.Sc. of Chemistry department of our college including 06 faculty members are willing to attend one day training workshop in CIPET.

We look forward for your cooperation in this regard.

Thanking you,

Yours sincerely,

Educational visit to Ankur Blood Bank
(12 /02/2019)

Class: B.Sc. Semester VI

Number of students visited: 32

Date of visit: 12/02/2019

Through this educational visit students understood about the collection, sampling and storage of blood and handling of advance machinery used in blood bank.

This knowledge will be helpful to students in their research work, project work and also during their jobs in pathology laboratories and have prospects in self employment so as to set up their own laboratory.
