EXAMINATION AND EVALUATION SCHEME

1) Evaluation Scheme

Assessment procedure incorporates a suitable evaluation system supported by model Credit Grade System involving letter grades as per the suggested guide lines by, UGC for undergraduate programs in the Faculty of Commerce and Management.

The evaluation of students in a course is a continuous process and is based on their performance in different methodological tests/examinations as mentioned below:

Theory Subject with or without Practical component:

It is broken into various components as mentioned below;

- i) **Internal Assessment (IA)**–It will be carrying 20% weightage and shall be monitored based on parameters like, assignments, class tests, seminars, project, oral examination etc. and that the break-up of weightage to these parameters are as specified in the syllabus of the given subject.
- ii) **End Semester Examination (ESE)**–This parameter shall carry weightage of 80% for theory subjects without practical component and the examination will be conducted by the Affiliating University at the end of the Semester.
- iii) **Passing in Course:** There will be a combined head of passing with 40% of marks combinedly in IA and ESE and separate passing with 40% marks in practical.

The **Table 1** given below summarizes weightage in percent to the individual components of proposed Evaluation System 'to be adapted for the theory subjects with and without practical component of UG programs in the Faculty of Commerce and Management.
