OBJECTIVES FOR ORGANIZING COLLEGE FEST 2018-19

1. To make students develop soft transferable skills like communication skills, organizational skills, time management, team work, leadership
2. To make students job ready.
3. To increase participation of students in co-curricular and extra-curricular activities and hone their talents through activities like elocution, debate, essay/creative writing, seminar presentation, poster making, and science exhibition, extempore, group discussion, mock interviews etc.
4. To make students learn new and challenging ideas and to exercise their creative and competitive urges to the maximum.

In order to achieve these objectives, the college organized ARTS FEST, COMMERCE FEST and SCIENCE FEST separately, for maximum participation of students in all the events.

COLLEGE FEST received overwhelming response. Students took active participation in all the events. Separate events were organized for different classes as per their immediate needs.

Number of students participating in all the events from all the faculties was more than 250
