# Report of Seminar On “Quality Enhancement in Teaching and Learning” **FOR TEACHING STAFF**

An institutional level seminar on “Quality Enhancement in Teaching and Learning” was organized by Internal Quality Assurance cell for the teaching staff of the institution.

Quality in education is to learn the right things and to learn them well. Thus quality attainment is a continuous process. So this seminar was organized with an aim to enhance the experience of quality teaching and learning process. It is the responsibility of the higher education system to ensure that the skills, understanding and output of the students are equal to the best in the world.

Dr. M. Subhas presided over the program. He presented introductory address on the topic stressing how important it is to enhance quality of teaching and learning. A teacher should adopt new ICT based technologies for enhancing the overall experience of teaching and learning.

Vice Principals Dr. J.M.Somani, Prof. K.C.Dhanorkar and Dr. P.J.Khinchi also presented their views. All the staff members were asked to present their views on the above said topic. It was a sort of discussion. Prof. N.R.Baig initiated the seminar with her views on quality enhancement by mentioning that using innovative and new pedagogy in teaching can enhance teaching learning experience.

**Number of participants: 32**

## **OUTCOME:**

Teachers play an important role in improving the quality of higher education by-

1. Motivating students
2. Dedication and commitment
3. Skill development
4. Using ICT's in teaching learning process which makes the learning effective and improves the quality of teaching.
5. Continuous updation of teaching methods and use of innovative teaching methods to improve the quality of teaching
