

INSTITUTIONAL DISTINCTIVENESS

Janata Mahavidyalaya, Chandrapur was established by Chanda Shikshan Prasarak Mandal in 1958. The founder of the college was Late Shri Shrihari Jiwatode Guruji, Ex. M.L.A. He was a true visionary who dreamed to transform this backward region through education.

The college was the result of a noble and shining vision, and it was to develop this tribal and backward region through education based on human values, social responsibility and patriotism. The founder had a noble vision to bring in the light of wisdom by removing the darkness of ignorance, and to achieve the all-round development of this backward region.

We continue his vision, and our vision statement is as follows:

“Our vision is to create a society where education will act as a true liberator and capacity-builder, and unite people on the anvils of peace, tolerance and understanding, and where the benefits of education will reach each and everyone, enabling them to live with self respect, dignity and enlightened awareness.

Knowledge is the greatest resource today and applied, skill-based and lifelong learning is the demand of the day. What the youth today wants more than anything else is quality learning that will help them unleash their innate potentialities, acquire useful skills and become productive, creative and responsible citizens. We are fully prepared for that, and totally committed to educate the young in an exemplary manner, and remain useful to the society by assiduously participating in the arduous task of nation building.

The college is located at such a place where it is easily reachable for the economically weak students from nearby villages. The college follows first come first served policy. This ensures that the students residing in the nearby village and the first generation learners are accommodated.

The students in our college are mostly from the disadvantaged sections of the society, and they have got a clear aim before them which is to learn and shape their future. The institution provides **all kinds** of assistance to students to acquire knowledge and develop skills. The institution aims at all-round personality development of students. The college organizes

various **short term courses** for the skill growth of the students and to make them job ready. As many students come from vernacular medium, it becomes very important to offer English language, personality development, confidence building activities and bridge courses to ensure their growth. The college has an active **NSS** and **NCC** cell which contribute for the society.

As many of the students are first generation learners, the college has to involve the parents in their growth, progress and achievement by conducting parent teachers meet. The college also felicitates parents of meritorious students during Annual gathering 'Sunhare-Pal' every year. The college has also started '**Students Mentoring System**' wherein each student is under the mentorship of a faculty member. Thus the students are personally counseled and academically helped during their journey in this institute.

The institution publishes prospectus every year which contains information about admission, courses, fee-structure and facilities. The institution's website also contains this information.
